From,

To,

The Chief Secretary

to the Government of Mysore,

Bangalore.

Dated 24th October 1894.

I have the honor to solicit the sanction of Government to appropriate Rs 400/- provided from District Funds in the current year's Budget for the wells at Belvál and Malledevar-halli, Kadúr Taluk, at Rs 200/- each, to those at Gundasagar, and Mangenahalli of the same Taluk, as the ryots of the former villages have failed to fulfil their promise in doing the necessary earthwork and there is no probability of their ever doing so, whereas the ryots in the latter villages have dug wells and are in urgent need of stone lining them, as otherwise the sides will slip and their work spoiled. I am of opinion that it is as well to help those villagers who help themselves as it shows their urgent

need of wells.

2.- The two estimates for ~~Rs~~ 257/- each for the works in question excluding the ryots' Share are herewith ~~is~~ Submitted for formal Sanction. The excess of Rs 114/- in the two estimates over and above the Provision pointed out will be met from the general Savings of the Current year's District Fund Budget.
